

Dedicated to providing outdoor adventures, hunts, and adaptive equipment to Military, Police, Firefighters, and EMS workers that have incurred a disease or disability as a result of their Service.

Established by Mike and Lori Steele, WFOH is a healing instrument and a way to provide to those who have given so much of themselves for our well-being, liberties and freedom.

Are you interested in participating in an Outdoor Adventure? If so, please visit our website to complete an electronic application or fill free to print and mail the application.

All adventures are expense free to the applicant!

Additional information can be obtained by sending us an email, Facebook Messenger, text message or by telephone.
